FONDATION

YOUNG, FRUITY AND POWERFUL COGNAC

I dedicate Fondation to my grandmother Germaine, the family pioneer, who kept telling me: "This heritage is solid because it is healthy; the land needs nothing more than human work and knowledge. We never needed chemical products for the vine to grow and bear fruit." That powerful message led me to create this brand.

TASTING

IDEAL FOR A COCKTAIL OR LONG DRINK

Fondation is defined by a beautiful freshness on the palate, with fruity notes of pear, peach and vine flower. The first wood tannins reveal brioche aromas. Ideal for cocktails or served over ice.
